### Posting Description:

*(E.g. This busy GP office is seeking an associate like you to join their very friendly group practice. The practice has a diverse patient panel and supports complex care, paediatric and suburban family patients. Woman's health experience or interest would be an asset. The office is equipped with an Oscar EMR system and supported by very friendly and knowledgeable staff that will ensure the smooth function of your busy day. The office is located in a family-friendly neighbourhood of Surrey and has a BC Biomedical lab and pharmacy in close proximity. The incumbent will maintain a full-scope-full-time family practice in Clinic, which is open Monday to Friday and optional half day Saturdays. If you are interested in hearing more about this clinic or in visiting the office and physicians please contact us for more information.)*
